HOW TO ADD TEXT TO PHOTOS
🍎 APPLE DEVICES 📱iOS

1

Open "Photos" on your phone....

...then select the image you want to add text to.
2

When the photo opens click "Edit" in the top right.
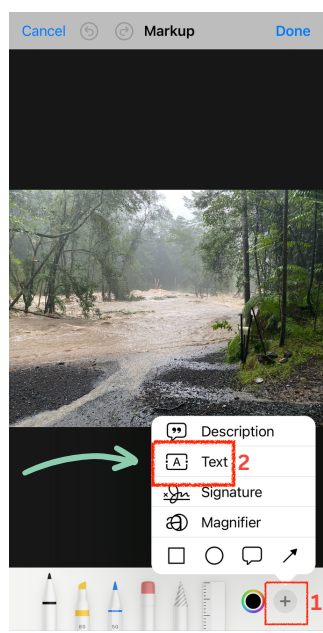

3

The photo will now become editable. To add text select the Ⓐ symbol in the top right corner.

4

Editing options will now appear at the bottom of the screen. Select the **+** icon at then **Text.**

...tap on the Text box that appears over your image and scroll the menu until you reach edit. Tap **Edit** to add text.
5

Type the text that is to appear on the image. Tap the text box to move it to the desired position.

6

To edit the text colour, font, alignment etc select the AA symbol. When finished tap **Done.**

The desired text format is Year, Location, Date / Time
